Personal statement from Stockholm Fringe Festival ((STOFF2023) Co-Founder/Co-Director in regards to YOU CAN TAKE ME HOME TONI by/with LORRAINE SMITH.

"Once on stage, LORRAINE SMITH takes no hostages in the mixed-media and costume change smörgåboard that is, "YOU CAN TAKE ME HOME TONI". Smith's ability to demand attention and get the audience onboard their beautifully crafted story goes hand in hand with carefully executed storytelling that touches on hard-to-digest topics of a dark nature. There's something disarming, likeable and very much thought-provoking about this personal performance. "YOU CAN TAKE ME HOME TONI" is what the Fringe arena was made for."

On behalf of the entire festival team, we would like to thank you for bringing your work to Stockholm. We hope that your work is seen in many cities and stages in the year(s) to come.

Thank you!

Best wishes,
