

		Assessments (%weight) at each Thread	
		Formative (F), Summative (S)	
Level	Modules	Placements and People	Science & Research
4	Understanding Healthy people (120 credits)	<ul style="list-style-type: none"> • OSCE (40%; individual) S <ul style="list-style-type: none"> ○ OSCE Term 1 (20%) ○ OSCE Term 2 (20%) • IPL (group presentation) F • Placement tutor's assessment (PASS/FAIL) S <ul style="list-style-type: none"> ○ 5 placements 	<ul style="list-style-type: none"> • PBL on healthy lifestyles (20%; group presentation) S • Pharmaceutical calculations (20%; individual) S <ul style="list-style-type: none"> ○ Term 1 ○ Term 2 • Project (20%; individual) S • Pre-reg style exam F
5	Management of Common Conditions (120 credits)	<ul style="list-style-type: none"> • OSCE (40%; individual) S <ul style="list-style-type: none"> ○ OSCE Term 1 (20%) ○ OSCE Term 2 (20%) • IPL (group presentation) F • Placement tutor's assessment (PASS/FAIL) S <ul style="list-style-type: none"> ○ 10 placements 	<ul style="list-style-type: none"> • PBL on minor conditions diagnosis and prescribing (20%; group presentation) S • Pharmaceutical calculations (20%; individual) S <ul style="list-style-type: none"> ○ Term 1 ○ Term 2 • Project (20%; individual) S • Pre-reg style exam F
6	Management of chronic and emergency conditions (120 credits)	<ul style="list-style-type: none"> • OSCE (40%; individual) S <ul style="list-style-type: none"> ○ OSCE Term 1 (20%) ○ OSCE Term 2 (20%) • IPL (group presentation) F • Placement tutor's assessment (PASS/FAIL) S <ul style="list-style-type: none"> ○ 10 placements 	<ul style="list-style-type: none"> • PBL on chronic conditions medication reviews and prescribing (20%; group presentation) S • Pharmaceutical calculations (20%; individual) S <ul style="list-style-type: none"> ○ Term 1 ○ Term 2 • Project (20%; individual) S • Pre-reg style exam F
7	Management of Polypharmacy (120 credits)	<ul style="list-style-type: none"> • OSCE (40%; individual) S <ul style="list-style-type: none"> ○ OSCE Term 1 (20%) ○ OSCE Term 2 (20%) • IPL (group presentation) F • Placement tutor's assessment (PASS/FAIL) S <ul style="list-style-type: none"> ○ 10 placements 	<ul style="list-style-type: none"> • PBL on polypharmacy cases, medication reviews and de-prescribing (20%; group presentation) S • Pharmaceutical calculations (20%; individual) S <ul style="list-style-type: none"> ○ Term 1 ○ Term 2 • Project (20%; individual) S • Pre-reg style exam F

Note:

This is the preliminary assessment plan that was submitted to GPhC in March 2024 as part of the Step 2 accreditation submission. This plan will be the basis for the subsequent mapping of each element of assessment to the GPhC's 55 Learning Outcomes.
